Skool Loop App

We are now using the Skool Loop App!

It's a simple free download in the Play Store or App Store. Search Skool Loop NZ, once installed choose Wellington and select Glenview School. You can use the app to view our school calendar, absentees, current newsletter, permissions, notices and push notifications. It will also be our immediate go to in the event of an emergency to contact parents. We would love all of our parents/caregivers to use this app, as it will be our primary way of communicating, and sending permission slips. See how to download on information on the page attached to this newsletter.

Whaea Keri will be available on the Meet the Teacher evening if you need help downloading or getting familiar with the app.

When you download the app, you will go in the draw to win an amazing prize! More details to come!
